Infants' footwear

This stock of Infants' Footwear is the largest and offers the widest selection of any in this city. We make this assertion in no spirit of braggadocio-but be-

cause there are yet many thoughtful, deep thinking parents who are unaware of the advantages in buying the little tots'

footwear here. Whatever is cre-

ated that has real merit and dressiness-whatever is best for them to wear-will be found here—with plenty of patient, painstaking shoefitters, who will see to it that the tender, growing feet are properly fitted.

She Had Consumption, Was Dying; Now Well Eckman's Alterative is being used with

success in the treatment of Tuberculosis in all parts of the country. Persons who have taken it, improved, gained weight. exhausting night sweats stopped, fever diminished, and many recovered. If you are interested to know more about it, we will put you in touch with some who are now well. You can investigate and judge for yourself. Read of Mrs. Govert's re-

"Gentlemen: Thinking that perhaps a short history of the remarkable recovery of my mother-in-law (Mrs. Anna Govert) might benefit some other sufferers, I give the following testimonial: About September 10, 1908, she was taken sick with Catarrhal Pneumonia, and continually grew worse, requiring a trained nurse. Night sweats were so bad that it was necessary to change her clothing once or twice sweats were so bad that it was necessary to change her clothing once or twice every night; her cough increased and got so bad that everybody expected that she would not live much longer. In January, when Rev. Wm. Berg of St. Michael's Church, at Shereville, Ind., prepared for her death, he recommended that I get Eckman's Alterative, and see if it would not give her some relief. I then requested the attending physician to give his diagnosis, and he informed me that she had Consumption, and was beyond all medical aid. When I asked if he thought diagnosis, and he informed me that she had Consumption, and was beyond all medical aid. When I asked if he thought that it was useless to try the Alterative, he replied that 'No physician could help her any, and I could suit myself about it.' So I immediately had Rev. Wm. Berg to send for a bottle. Practically without hope for recovery. I insisted that she try the Alterative, which she did. I am glad to say that she soon began to improve. Now, she works as hard as ever, weighs twenty pounds heavier than she ever did hefore she took sick, and is in good health. She frankly says she owes her life and health to Eckman's Alterative.''

(Sworn Affidavit) JOS. GRIMMER.

(Sworn Affidavit) JOS. GRIMMER. Eckman's Alterative is effective in Bronehitis, Asthma, Hay Fever: Throat and Lung Troubles, and in upbuilding the system. Does not contain poisons, opiates or habit-forming drugs. For sale by O'Donnell's drug store, and other leading druggists. Ask for booklet telling of recoveries, and write to Eckman Laboratory, Philadelphia, Pa., for additional evidence.

(Let the Buyer Beware)

question as to just what its percentage of effi- ington and Herndon. ciency is, but if medical writers are to be be-

lieved, there is no question whatever about the futility of all the rest. We do not invite letters except in cases of chronic and supposed incurable kidney disease. Hence our booklet is of profound moment to
